

MYERS MILL

News from the Board

The BOD is working hard to wrap up some things as our term comes to a close. We are working hard with the support of CMG to make as much progress as possible. Our largest challenge at this point is compliance. We appreciate everyone that has taken care of the notifications they may have received. Please continue to have patience and contact us with any questions or issues.

The BOD is open to any and all constructive feedback and we take all issues, concerns, and questions seriously. We don't always see things on Facebook so the best way to reach us is through email at MyersMillBOD@gmail.com.

Crazy Rock Painting Fun

Have you heard about the super fun rock painting fad going on right now? It's a great, low cost way to have fun while enjoying the outdoors. First, gather your supplies. You might already have everything you need to get started: some rocks, acrylic paint, and paint brushes. Next, get to work painting your rocks. Use your own creativity, or do a Google search for painted rocks and you'll get a ton of ideas, from the simple ladybug to more elaborate and realistic looking masterpieces. Once you've painted your rocks you are ready to hide them for others to find. You can also hunt for rocks others have hidden. A few popular places to hide and find rocks in Summerville are Azalea Park, Hutchinson Square, and Gahagan Park, but you can hide them anywhere you go. We found our first rock at the library and we have been hooked ever since. A few tips: It's a good idea to seal your rocks to protect them from the weather if you plan to hide them outside. A clear spray paint sealer works well for this. There is a Facebook page, Summerville SC Rocks, where people take pictures of the rocks they find so you can see if yours are found. If you want to see your rocks on Facebook, be sure to write, "Post on FB at #SummervilleSCRocks," on the bottom of your rock. You can keep or re-hide any rocks that you find. If you want to, you can buy a bag of rocks at a home improvement store (like Home Depot). Prices range from \$5 for a bag of pond rocks, to \$12 for a bag of landscaping rocks. In addition to acrylic paint, you can use paint pens, sharpies, or you can warm rocks and melt crayon on them to make cool designs.

Important Dates

| | |
|--------------|---|
| August 8 & 9 | DD2 Facts and Fees 7am-1pm, 3pm-7pm |
| August 16 | Meet the teacher - Dubose |
| August 17 | First day of school for Pinewood Preparatory School |
| August 17 | Meet the teacher KES and SHES |
| August 21 | Solar Eclipse |
| August 22 | First day of school for DD2 schools |
| September 18 | Open Board Meeting at KES |

Please keep our neighborhood beautiful and clean. Do not leave trash in the pool parking lot, or place waste down storm drains.

**Find a rock,
Win a Prize**

The communications committee wanted to get in on the painted rock craze so we have hidden a few around Myers Mill for you to find. There are several rocks to find just for fun, but a lucky few will find rocks with the words, "Myers Mill Rocks" on them. If you find one of the specially marked rocks, email us at MyersMillContests@gmail.com to redeem for your prize! Happy hunting!

Congratulations our July winner **Stuart M.** His name was randomly picked from all who participated in the flag scavenger hunt. He won a summer fun basket from our sponsor Mandy Scherer, Young Living Essential Oils Consultant.

Compliance Corner

CMG has begun weekly compliance drive-thru's and is enforcing our existing covenants. Over a 170 letters went out the first two weeks of July. A few examples of items they will be looking at include, lawn care and general home maintenance like upkeep of shutters and siding, street parking, storage of items like hoses, play items, and trash cans out of view, and oils and stains in the driveway.

If you feel that you received a violation letter in error, please email us at MyersMillBOD@gmail.com so we can review it. A more detailed list of guidelines and a copy of our covenants can be found at MyersMill.com in the Architectural review and compliance section. We encourage everyone to review the guidelines.

The Total Eclipse is Coming Soon!

On Monday, August 21, 2017, a total eclipse of the Sun will be visible in the Continental United States for the first time in almost 40 years. A total eclipse is when the Sun is completely hidden by the Moon, the sky becomes dark, and the Sun's faint atmosphere (its corona) becomes visible - like a halo. This total eclipse will ONLY be visible on a narrow track stretching from Oregon to South Carolina. Because no other country will get to see this total eclipse, it's being nick named "The All-American Eclipse."

It is important to use safe viewing strategies during the eclipse. It is dangerous to look at without something to protect your eyes from the Sun's damaging rays. The few minutes of total eclipse (when the Sun is completely covered) are safe, but anytime that even a small piece of the bright Sun shows, your eyes are in danger. Paper glasses with special filters made of protective material are sold in lots of places. (Make sure that on the back, in small print, they say that they are ISO 12312-2 certified.) Sunglasses are NOT sufficient to protect your eyes!

Plan an Eclipse Viewing Party and have a good time! Be safe! Remember to protect your eyes!

For more information go to: <https://eclipse2017.nasa.gov/> or <http://www.starnetlibraries.org/EclipseGuide/>

Spotlight on the Nominations Committee

The HOA will soon be going through elections for the HOA Board of Directors again. In order to get through the election process we need volunteers for the nominations committee. We are looking for a few more people to assist with the nominations process.

Nominations Committee Members assist with aspects related to the election such as candidate recruitment, application review and ballot preparation.

If you are interested in volunteering for the Nominations Committee or any other committee please complete the form on the Committees page of the website at www.myersmill.com/committees.

Myers Mill Book Club

August's book discussion is Sunday, August 27th, at 7:00 pm to discuss *The Shack* by William P Young .

You do not have to read the books to join us.

For details, join our group on Facebook at www.facebook.com/groups/MyersMillBookClub

Financial reports and meeting minutes can be found on the community's website at

www.MYERSMILL.com

DID YOU KNOW?

Any permanent structural improvements to your lot, even in the backyard, need to be approved by the Architectural Review Committee.
