## News from the Board

It is hard to believe it is December already. 2018 will be here before we know it and I don't know about you but we are not ready. As the year comes to a close, I want to remind everyone that 2018 Association dues are invoiced in December and will be due January 31, 2018. Anything not paid by the end of February will incur interest and late fees. Payments can be made online at [www.cmgcharleston.com](http://www.cmgcharleston.com).

We are so thankful for the ongoing support and understanding of our neighbors during this time of transition. The past two months have been a blur of getting the two new board members up to speed, figuring out our 2018 priorities, working out the 2018 budget needs, and dealing with ongoing legal issues. Please try and be understanding when emailing the board and remember that on top of everything above, we also have jobs and families and situations in our own lives. We appreciate everyone's compassion, understanding and friendliness. Let's continue to build each other and the community up - remembering first and foremost that we are neighbors.

We are looking for people to get involved in the community. Volunteering should not be a bad word and the more people we have to help the less everyone has to do. Please consider helping even if not in an official committee. Email us at [myersmillbod@gmail.com](mailto:myersmillbod@gmail.com) if you can spare some time to help out. We can always find something you can help with from computer work, to event planning, to newsletter delivery.

## LITTLE FREE LIBRARY.ORG

TAKE A BOOK • RETURN A BOOK

Members of Girl Scout Troop 352 are planning and building our Little Free Library as their silver project. The girls have researched and created a plan to build the structure and will begin work soon. We expect the library to be completed and open for business by spring.

## Compliance Corner

The covenant review committee is working hard on collecting ballots so that we can reach the 75% of votes needed to make a change. As of 11/16/17, we are still in need of at least 192 more ballots. Committee members have begun going door to door sharing the changes with homeowners and collecting ballots. The proposed covenant changes can be found here along with the ballot: <http://www.myersmill.com/covenants-proposed-amendments/>

Ballots can be scanned and emailed to [myersmill@cmgcharleston.com](mailto:myersmill@cmgcharleston.com), mailed to CMG at 349 Folly Road, Suite B, Charleston, SC, 20412, or dropped off at 1400 Edmund Ct.

## Spotlight On The Activities Committee

The Activities Committee is looking for more volunteers. One of the things the board is trying to improve this year is community togetherness and morale. We love that we live in a neighborhood that is very family orientated and that can come together in times of fun and times of tragedy. The Activities Committee was created to help organize all the community events taking place throughout the year and publicize them so all homeowners are aware and can join in. Some ideas of activities that have been thrown around are:

Movie Nights

Food Truck Nights

A large community vendor event (last year it was the chili cookoff)

Season/Holiday themed events

Get togethers at the pool / concessions at the pool

Special Interest Clubs

Community Yard Sales

Let's make 2018 a year we come together as a community and make new lifelong friends.

If you are interested in volunteering for the Activities Committee or any other committee please complete the form on the Committees page of the website at [www.myersmill.com/committees](http://www.myersmill.com/committees).
