20 **Mar** 18

## News from the Board

Spring is in the air and that means summer is right around the corner. The BOD is busy making preparations for the pool to open. The pool will open on March 31st - just in time for Spring Break. Please continue reading for further information about this and the key fobs. We are working on a revised Pavillion rental form and process. Please check the Myers Mill website for more information.

Just a reminder that any homeowners not current on all dues and assessments as of March 23rd will have their pool key fobs deactivated. After this date, key fobs needing to be reactivated will be subject to a \$15 reactivation fee. Please note that reactivation will not be immediate. Payments can take up to 10 days to be posted and key fobs will only be reactivated once a week. To avoid this frustration, please pay your dues before the cut off date.

In other BOD related news, Jenny Child's is moving out of Myers Mill so she will be leaving the board on March 8th when they close on their house. We are excited for her and her family but super sad to be losing her. Nicole Musap has agreed to join the board. Nicole will be taking over as Communications Chair, Heather will take on the role of Secretary, and Danielle will take on Treasurer while continuing as Landscaping Chair. Please join us in welcoming Nicole on to the board.

Thank you to everyone who came out to enjoy the chili cookoff! Our net profit for the event was \$1377.63. We are very pleased to present Dorchester Children's Center with a check for \$551! The remaining \$826 will be combined with \$848 from last year to go into our playground fund.

The playground committee will begin meeting again soon to discuss plans. If you are interested in being on the committee, please visit [myersmill.com/committees](http://myersmill.com/committees) to complete the form to join. If you are already on the committee, we will be reaching out soon to schedule a meeting.

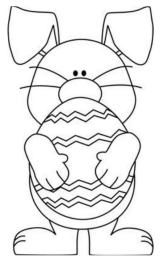

Congratulations to our chili cookoff winners: Evan Anderson (Myers Mill resident) who won judges choice and Mary Ann Conte-Longton (non-resident) who won people's choice. A big thanks to the committee and other volunteers for all the work done leading up to and during the event, to Graze for donating a gift card to use as a prize, to Palmetto Jump Castles for donating the two jump castles, and to everyone who donated a raffle item, came out as a vendor, or entered chili. The sense of community was amazing! Myers Mill is truly a wonderful place to live!

### It's Almost Pool Season!

The pool opens March 31st for the season. If you have your key fob from last year and are current on your dues, your key fob will still work this year. For those who are new to the neighborhood and need a key fob, you will be able to pick one up at the pavilion on March 18th and 25th from 1-5 pm. Please bring a picture ID. Your first fob is free (new residents or residents who never picked up a fob). For those who lost your fob and need a replacement, cost is \$10 cash or check payable to Myers Mill HOA. If you are a renter, your property management company or owner will need to provide a letter authorizing you to pick up and provide payment if needed. If you miss the pick up days above, please email [Myersmill@cmgcharleston.com](mailto:Myersmill@cmgcharleston.com).

Please take a minute to review the pool rules on our website at [www.myersmill.com/pool](http://www.myersmill.com/pool). Access to the pool is for Homeowners/Renters that are in good standing with the Association. Access to the pool deck is by key fob only. Do NOT open the gate for individuals without a key fob or leave gate propped open at any time. An attendant will be here beginning the end of May to keep an eye on things.

**GUEST POLICY:** A reasonable amount of guests may accompany a homeowner/renter to the pool. Please use your best judgment when bringing guests to the pool. All guests are subject to all listed pool rules. No children under the age of 14 without a responsible adult. For individuals ages 16-18, only one (1) guest may be permitted without a responsible adult. Guests for those under age 16, **MUST** be accompanied by a responsible adult.

## Spotlight On Playground Committee

The purpose of the Playground Research Committee is to research pros and cons of putting a playground in the community as well as the cost impact on the neighborhood. The committee began work last year doing this research and getting quotes and design ideas. With a little money in the playground fund it is time to begin working to develop a recommendation for the board on the installation and location of some pieces of playground equipment. If you are interested in being a part of this committee, please complete the interest form at [MyersMill.com/Committees](http://MyersMill.com/Committees).

## Myers Mill Book Club
