

MYERS MILL

News from the Board

The BOD has been hard at work getting the property cleaned up and ready for summer. Please be patient with us and the maintenance workers as we complete these projects over the next few weeks.

Please let us know if there are any problems you see or experience. We are working very hard to not only fix cited issues, but also to beautify the neighborhood.

Please note that there should be no dumping of yard waste or any trash in or around the stormwater ponds and/or nature trail area. There have been several complaints and evidence that this is occurring and it can not continue to happen.

As we move into summer, remember to be kind to your neighbors and help keep the community clean and safe. Only those with active key fobs should be using the pool, so please do not hold open the door for anyone. Please clean up after yourselves at the pool and regularly check for items left behind (there are always a lot of socks up there).

Heather Benson our BOD secretary recently resigned. We are working on finding a replacement for the position and will provide updates as they are available.

Our next open meeting is on June 18th at 7 pm at Knightsville Elementary School. We hope to see everyone there. Please submit your questions ahead of time at <https://goo.gl/forms/G4u1ldDX6TiPENq72>. Submitting questions ahead of time allows us to provide accurate responses and to make sure every question is answered in the allotted time.

REMINDER

Just a reminder to anyone who has not paid their HOA dues, your key fob for the pool has been deactivated and will not work. Re-activation will be done 10-14 days after payment is made and is subject to a \$15 fee. Please pay your fees at www.CMGCharleston.com.

Children age 13 or younger are not allowed at the pool without a responsible adult and will be asked to leave. Multiple offenses may result in termination of access.

Important Dates

May 5th

Movie Night, 8 pm

May 12th

Mothers Day Cookies & Lemonade

June 1st

Last day of School, DD2

June 2nd

Summer Kickoff Event at the Pool

June 18th

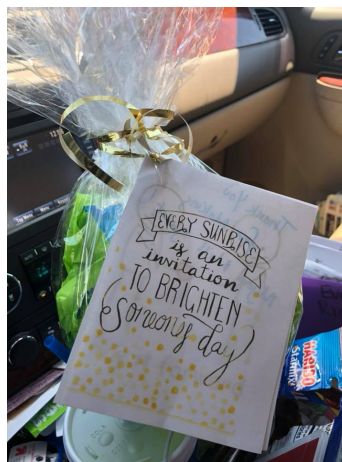

Open Board Meeting

Neighbor Spotlight

Myer's Mill is truly a wonderful place to live. Every day we see random acts of kindness and neighbors helping neighbors. Maybe you have seen one of the gift bags pictured below.

This month's neighbor spotlight is on a neighbor (who wishes to remain anonymous) who wanted to teach her children to "pay it forward" and give to others with no expectations of anything in return! Thank you for spreading kindness and making Myers Mill a little brighter.

POOL HOURS

Pool hours are based on SUNRISE and SUNSET times.

There is no swimming in the dark. For the month of APRIL, pool hours will be 6:30AM to 8:00PM. Anyone caught in the pool outside of these times is considered trespassing which may result in termination of access and/or notification to the Sheriff's department.

Compliance Corner

COVENANT CHANGE COMMITTEE:

WE NEED YOUR HELP! We are still short on ballots to change the covenants. We are looking for 1-2 volunteers per street that can help collect ballots from their neighbors on their street ONLY.

If you would like to help, please reach out to the BOD via FB or email at myersmillbod@gmail.com.

PLEASE MAKE YOUR VOICE BE HEARD. Whether you want the changes or not, please return your ballot so all this hard work is not undone. We only have until the end of August to close this process out before all the ballots are no longer valid.

Ravyn's Doll is Raising Fibromyalgia Awareness

May is fibromyalgia awareness month. Fibromyalgia affects millions of people living in the US. It causes a myriad of symptoms including fatigue, muscle tenderness, digestive issues, and more. Some people are confined to their beds and others can live full functioning lives.

Despite so many people living with it, fibromyalgia is rarely known or understood by others. Ravyn's Doll is going to change that. Visit RavynsDoll.Com to learn more and participate in raising awareness.

Spotlight On Committees

Many of the committees are still in need of members. Many hands make light work. More members mean more ideas and less work for everyone. The following committees are in need of new members:

Architectural Review Committee

Activities Committee

Nature Trail Preservation Committee

Communications Committee

Playground Research Committee

If you are interested in any of the above committees, please see the committees page on our website at myersmill.com/committees. If you would like to join any of the committees, please click on the link at the top of that page and complete the information. You DO NOT have to be a homeowner to serve on most of the committees.

Myers Mill Book Club

May's book discussion is Sunday, May 20th at 7:00 pm to discuss *The Silver Music Box* by Mina Baites.

You do not have to read the books to join us.

For details, join our group on Facebook

Financial reports and meeting minutes can be found on the community's website at

www.MYERSMILL.com
