News From The Board.

Welcome to Summer! We are hopeful that we will have a safe, calm, but productive summer. The Board is working on finishing up the current work on the stormwater ponds, ensuring the nature trail is safe for use, and reviewing bids for the pool resurface, which we hope will begin as soon as the pool closes for the year.

Thank you everyone for making the pool season successful so far. We do want to remind EVERYONE, that no child 14 years old or under should be at the pool without adult supervision, and no one ages 15-17 should bring more than one guest to the pool with them. Key Fob entry is required every time. Please do not jump the fence or prop open the gates. The pool attendant began last weekend and they will be having everyone sign in. Please be respectful to him/her. The attendant is there to ensure everyone that enters the pool area should be there and is using a key fob along with making sure general rules are being followed.

If you have any questions about our pool rules, please see website at

www.myersmill.com/pool.

With the kids out of school, please take extra caution while driving through the

neighborhood as there may be more kids out playing during the day. We also see a rise in car break-ins during the summer months, so please be diligent in locking your vehicles.

We really need volunteers to keep this community going. Please consider being more involved in our community. We desperately need help in our committees, and board elections are just around the corner in October.

Little Free Library

Thank you to Myers Mill residents Ainsley and Kiersten from Girl Scout troop 352 for making our Little Free library a reality. To earn their silver award they planned, built and registered the library that is now located in the pool parking lot for all of us to enjoy. Little Free Library is a take a book, return a book exchange. Anyone may take a book or bring a book to share. Thanks to these girls, we now have one of the over 60,000 registered Little Free Library book sharing boxes in more than 80 countries worldwide. If you would like to learn more about the Little Free Library movement, you can visit

<https://littlefreelibrary.org>.

Pool Hours

Pool hours are based on SUNRISE and SUNSET times. There is no swimming in the dark. For the month of JUNE, pool hours will be 6:15AM to 8:30PM. Anyone caught in the pool outside of these times will be considered to be trespassing which may result in termination of access and/or notification to the Sheriff's department.

OPEN MEETING INFORMATION

Our next open meeting is on June 18th at 7 pm at Knightsville Elementary School. We hope to see everyone there. Please submit your questions ahead of time using the button below.

Submitting questions ahead of time allows us to provide accurate responses and to make sure every question is answered in the allotted time.

SPOTLIGHT ON....

The Activities Committee is looking for more volunteers

One of the things the board is trying to improve this year is community togetherness and morale. We love that we live in a neighborhood that is very family orientated and that can come together in times of fun and times of tragedy.

The Activities Committee was created to help organize all the community events taking place throughout the year and publicize them so all homeowners are aware and can join in.

Some ideas of activities that have been thrown around are:

Movie Nights

Food Truck Nights

A large community vendor event (last year it was the chili cookoff)

Season/Holiday themed events

Get togethers at the pool / concessions at the pool

Special Interest Clubs

Community Yard Sales

Let's make 2018 a year we come together as a community and make new lifelong friends.

If you are interested in volunteering for the Activities Committee or any other committee please complete the form on the Committees page of the website at www.myersmill.com/committees.

Nature Trail Update

The Nature Trail is open. There is still some erosion at the McKayla entrance so please use caution when entering.

The erosion will be filled the first week of June. Thank you for your patience!

Financial reports and meeting minutes can be found on the community's website at
